To fix a fairly satisfactory rate, it is necessary to get copies of letters of other Distt magistrates, or call for their opinion afresh.

4) Whether this branch can deal with the question is another point for orders. The missing papers were sent to the G+M Section, as the proper section to deal with the subject. Letter No.R.O.C.481/Judicial 1921-22, dated the 4th February 1922, from the Deputy Commissioner, Mysore District, to the Chief Secretary to Government, Bangalore.

In inviting your kind attention to Government Order No. G.18627/35.Pol.118-18-2 dated the 26th February 1919, sanctioning an increased scale for the burial and cremation of paupers, to be adopted throught the province, I have the honor to report as follows:-

There are six people employed in the City of Mysore who look to the proper disposal of the pauper Mussalman dead and they work under the orders of the Kazi of the Sirkar Jumma Musjid. The Khazi reports that the sum of Rs.3/- that is paid to them for the burial of each Mussalman corpse is quite inadequate in these hard days, that though they are theoretically part time employees, they are in fact full time servants, since they are liable to be called for work at any time and as such are prevented from taking to another employment, and that unless they are paid handsomely for their work, they do not propose to continue to do it.

The Assistant Superintendent of Police who had been asked to report on the matter, supports the recommendation of the Khazi that an increased rate of remuneration is absolutely necessary if men are to be found for this work. This is a matter where the Government have to be somewhat more liberal and I therefore request that orders of Government may kindly be obtained at an early date to increase the rate from Rs.3/- to Rs.5/- to meet the cost of clothing etc., necessary for the purpose.

It is a matter for consideration whether the respective Municipal Boards should not be asked to contribute some quota towards these charges.

As however, the matter is one of importance so far as the Mysore City is concerned, I request early orders.

The vernacular papers are herein enclosed.

Sir,

Your most obedient servant,

K Mylar Rao

District Magistrate,
Hassan District.

Letter No.D2.Dis.154-21/J dated the 25th April 1922 from the District Magistrate, Hassan District, to the General Secretary to Government.

Adverting to your letter No.J 3779-86/Pol.133-21-1 dated 8-2-22 enquiring if there is any necessity fof increasing the current rates for the interment of paupers etc., I have the honor to state that no hardship has been brought to my notice. But the D.S.P. Mr. Hukji who was consulted in the matter states that several instances had been brought to his notice, though not in this District, in which the interment of paupers had been found difficult owing to inadequate amount now paid. He proposes a rate of Rs8/-. This appears to be rather high specially under the present financial conditions. I would however, in view of the fact that it is essential among the Mussalmans that new cloth should be used in connection with the first days ceremonies, recommend that the rate may be fixed at Rs5/-.

Hassan District.

With reference to your letter No.J.3779-86/Pol.133-21-1 dated the 8th February 1922 and subsequent reminder enquiring whether there is any necessity to increase the charges for the interment of paupers, I have the honour to state that it has been reported by the Amildars of the Chikmagalur and Koppa Taluks that no hardship has been brought to notice in respect of the existing rates. There does not seem to be any necessity for increasing the existing rates, which were fixed only so recently as 1919 in G.O.No.G.18627-35/Pol.118-18-2 dated 26th February 1919.
